That the property be subject to the following conditions which are necessitated by and attributable to the increased intensity of use generated by the change of zoning from R-3 (Residential) to C-3 (Commercial) in order to protect the health, safety and welfare of adjacent property owners and the residents of this city:

1. *Prior to the issuance of any building permits, a detailed site plan shall be reviewed and approved per the El Paso Municipal Code.*

These conditions run with the land, are a charge and servitude thereon, and bind the current property owner and any successors in title. The City may enforce these conditions by injunction, by rescission of the zoning which is made appropriate as a result of these conditions, or by any other legal or equitable remedy. The City Council of the City of El Paso may amend or release the above conditions in its discretion without the consent of any third person who may be benefitted thereby, and without affecting the validity of this ordinance.
